1	level of natural risks
2	navigation on the trail
1	hiking difficulty
2	fitness level needed

Condiciones de todo el año, tiempos estimados según criterio MIDE, sin paradas

Circular route suitable for people of all ages. The characteristic feature of this route is undoubtedly the different ancient dry stone constructions it goes through, associated with the livestock farming activities that used to be carried out in the mountains. Along this route you can see different types of construction of cuco refuges, corrals, as well as the flora of the natural environment and the different views of the landscapes.

Certification status: Valid
Date of certification: 15/06/2018
Trail: Loop
Starting point: Parque de San Vicente
End Point: Parque de San Vicente

Route description:

(Only available in Spanish)

If, while following any officially marked trail in the Comunitat Valenciana, you notice missing markers, damaged or broken posts or directional signs, paths overgrown by vegetation, or routes that are blocked, through CUSTODIEM (we care for them, because it is everyone's responsibility) we can inform the trail promoters of any existing issues.Por favor, háznoslo saber a través de nuestra web https://senders.femecv.com/en/contacto/custodiem y se lo haremos llegar al promotor para que lo arregle lo antes posible. Con tu información, la localización del problema y tus fotografías puedes ayudar a mantener en condiciones óptimas, seguras y accesibles la red de senderos homologados de la Comunitat Valenciana.
